Certification Statements:

1. I have verified the presence of any microchips listed in box 21.
 2. I certify that the animals described in box 21 have been inspected by me on this date and appear to be free of any infectious or contagious diseases and, to the best of my knowledge, exposure thereto, which would endanger the animals or other animals or would endanger public health.
 3. To my knowledge, the animals described in box 21 originated from an area not quarantined for rabies and have not been exposed to rabies.
 4. The animals listed in box 21 have been vaccinated for rabies** prior to arrival in South Korea as listed below in the Rabies Vaccination Information table.
 5. A rabies neutralizing antibody test is required for admission into South Korea**. If a test cannot be performed in the United States, the test will be performed in South Korea at the owner's expense.
- * If the pet isn't microchipped prior to shipping, one will be implanted upon arrival in Korea
- ** Animals less than 90 days old are not required to be vaccinated for rabies or have a rabies neutralizing antibody test.

This certificate is valid for 30 days after issuance.
